NEWS FROM THE CHAIR

Chloe-Jane Ross
Chair CCARA

Mike Manley
Chair WBRA

Welcome to this edition of our joint Beckenham Residents' newsletter.

CCARA

The Committee and I are delighted to have been re-elected for another year. The decision was unanimous among those present at the AGM, and we are very grateful for your continued support.

Members also approved a number of amendments to the Constitution to strengthen the governance of the Association. They also agreed that, from 2027, the annual subscription will increase to £7 per household and £3.50 for block members with volunteer deliverers. This increase is necessary to help cover the rising costs of printing, postage and administration.

We are always looking for new volunteers. Whether you can help with administration, support our community events on Beckenham Green, or join the Committee to focus on matters of local interest, we would love to hear from you. Fresh ideas and new faces are always welcome.

Chloe-Jane Ross, CCARA Chair

WBRA

Welcome to this edition of Beckenham Residents. Please ensure your membership fee is paid. I hope to see many of you at our AGM on the 20th July in Christ Church starting at 8pm.

Subject to the approval of the members it is intended to put the membership fee up to £7 with effect from 1st April 2027, as CCARA have done.

Special thanks to Stafford Bunce who has retired as our Treasurer after many years.

Mike Manley, WBRA Chair

WBRA AGM 8pm 20 JULY 2026 at CHRIST CHURCH FAIRFIELD ROAD BECKENHAM

For WBRA members, the agenda will include proposed changes to the Rules. These Rules have been in place since the Association was founded in 1945, with some minor changes to provide for electronic communications. The new Rules have been reorganised and include some changes, so a direct comparison is a little more difficult.

Members can compare the new and old Rules on our website at https://wp.me/P2ol6l-1LO - home page Beckenhamresidents.org or use this QR code. The changes will be voted on at the AGM.

WBRA will be introducing a new membership system, the one currently used by CCARA. Details are given below. The AGM will also vote on a new subscription rate of £7 per year. The subscription has not been raised since 2002. There will also be elections to the committee. A nomination form is below, which must be received by the WBRA Committee (email info@westbeckenhamra.org) by 15 July.

NOMINATION FORM FOR WBRA COMMITTEE

I wish to nominate .....
for the position of .....
or ordinary committee member of WBA. (delete as appropriate).

Proposer's name: .....Signature: .....
Address: .....
Email address: .....

Seconder's name: ..... Signature: .....
Address: .....

Consent signature of nominee: ..... Date: .....

To be received by the Committee before the end of 15 July 2026. Scanned or photograph copy may be emailed to info@westbeckenhamra.org

WEST BECKENHAM RESIDENTS' ASSOCIATION – NEW MEMBERSHIP RENEWAL PROCESS UPDATE

We're pleased to introduce a new, simpler way to join and renew your annual WBRA membership.

The Association has now moved to a paperless membership system using a secure platform called MemberMojo. This brings us in line with our sister organisation, Copers Cope Area Residents' Association, who have successfully used the same system for the past couple of years, giving us confidence in its reliability, ease of use and member experience.

This change ensures we remain fully compliant with modern banking and data protection standards, and makes membership quicker and easier.

We understand many members are used to traditional payment methods, and we want to reassure you that the Standing Order remains available. We hope the new system will prove quicker, allowing you to set up securely online in just a few minutes, without using paper forms.

The new system also allows you to:

- Pay your annual membership by credit or debit card
- Set up or manage Standing Orders electronically
- Receive automatic reminders to keep your membership up to date
- Reduce paperwork and administrative delays

Importantly, this change helps the Association operate more efficiently and sustainably, ensuring more of our time can be focused on supporting the local community and representing residents' interests.

We appreciate that any change can take a little getting used to, but the system has been chosen for its simplicity, security and proven local use. Full details of how to use the system will be in the next edition and help to set up will be available from the Membership Secretary.

Thank you for your continued support of WBRA. We look forward to welcoming both new and renewing members through this improved system.

Tom Robin Membership Secretary, WBRAA

REPORT OF CCARA AGM 11 May 2026

The guest speaker was Deidre Barr, Deputy Lieutenant for Greater London. She explained the historic role of the Lord Lieutenant, which dates back to the reign of Henry VIII, and how it has evolved to support the Monarch, recognise community service through the honours system, and work with charities and civic organisations across London.

The AGM followed the speaker. The Chair acknowledged the contribution of former councillor Mike Tickner following his retirement from the Council after many years of public service, including his involvement in the regeneration of Beckenham High Street.

Members received updates on local issues, including Beckenham Halls, where no decision has yet been made on the building's future. The Association's accounts were approved.

A major item of business was a review of the Constitution. Eight proposed amendments were considered individually and all were approved by members. It was also agreed that annual subscriptions will increase to £7 per household from 2027. The current Executive Committee was re-elected.

Questions from members covered a range of local issues, including parking, noise, anti-social behaviour, licensing matters and the proposed installation of a local air quality monitor secured by CCARA through the Breathe London programme.

BROMLEY COUNCIL AIR QUALITY ACTION PLAN

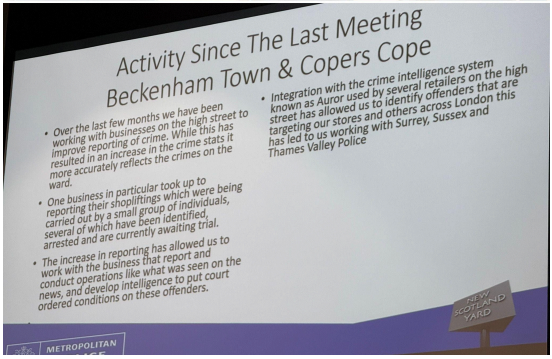

Local authorities are required to produce an Air Quality Action Plan (AQAP) every five years, to pro-actively monitor and address air pollution. Air pollution has negative impacts on public health, particularly for children, older residents and people with asthma or heart disease.

Bromley Council's draft AQAP for 2027-2031 is out for public consultation for six weeks, from July. While CCARA will make a submission to this consultation, residents are also encouraged to participate. The Draft plan will be published on our website, alongside details on how to submit to the consultation, when it is released by Bromley Council in July.

BECKENHAM COMMUNITY POLICE MEETING 4 JUNE 2026

The latest Beckenham Community Police Meeting, held on 4 June at Orion Eden Park School, brought together the new Borough Superintendent, Priya Shome, local policing teams, the Beckenham Fire Station Commander, Justin Hudson and Bromley Trading Standards to provide updates on policing and community safety across the area.

Police reported successful operations tackling shoplifting, anti-social behaviour, dangerous driving and organised crime. Joint working with housing associations has resulted in closure orders on problem properties, while targeted traffic operations have led to arrests for drug offences, disqualified driving and prison recalls.

Trading Standards highlighted ongoing work to tackle the sale of illegal

tobacco and vapes, alongside test-purchasing operations to identify retailers selling age-restricted products to children.

Residents raised concerns about speeding, vehicle theft, nuisance motorbikes, illegal e-scooters, cannabis use in parks and police abstractions. Officers confirmed work is continuing on these issues and encouraged residents to report suspicious activity online or by calling 101.

It was particularly encouraging to hear about the extensive work taking place with young people and local schools, as well as the welcome reduction in phone thefts involving young people.

CHANGES TO THE 227 BUS SERVICE

Transport for London (TfL) has made changes to the frequency of the 227 bus service, which runs between Crystal Palace and Bromley via Beckenham.

Since Saturday 20 June, buses have been running every 10 minutes instead of every 8 minutes during the busiest parts of the day. The change applies on weekdays between 6.45am and 8.00pm and on Saturdays between 8.30am and 6.45pm. Evening and Sunday services remain unchanged. TfL says the change follows a review of passenger demand, which found that the route was operating more buses than were needed during these periods.

BECKENHAM GREEN FRIENDS

Bromley Council recently had to remove a local tree that had become well known for the car wheel embedded in its trunk following an accident. The Council's Tree Officer determined that the tree had become unsafe. We have asked Bromley Council to plant a replacement tree.

Rather than see the timber go to waste, the Friends arranged for the woodchip to be used on Beckenham Green's nature trail, where it will help improve paths, suppress weeds and support biodiversity. There was certainly no shortage of woodchip, and volunteers have been hard at work spreading it along the trail.

The Friends are always looking for more volunteers to get involved. Whether you can spare an hour occasionally or would like to help organise future activities, your support would be very welcome.

There are volunteer sessions on 11 July, 8 August and 12 September. These sessions are a great way to meet people, spend time outdoors and help care for this important community space.

If you'd like to get involved or find out more, please contact the Friends at greenfriends@coperscope.org.uk.

PROPOSED CHANGES TO CONTROLLED PARKING ZONE

Public consultation closed recently for proposed changes to the Beckenham Town Centre Controlled Parking Zone (CPZ) along Burnhill Road. At present, the CPZ operates between 8.30am - 8pm, Monday - Sunday. The proposed change would extend this until midnight.

Are you organising a funeral reception for a loved one?

Let Careys Funeral Caterers take the stress out of organising the catering.

With over 25 years' experience, we understand what is involved with such an occasion, including advice on menus, the venue, numbers and drinks.

WHAT'S NEW IN THE TOWN CENTRE

Two new kebab shops have opened in the High Street. **Two 10 Kebab** at 210 High Street (formerly The Groove Burger Club) and **Konak Kebab and Meze** at 241 High Street (formerly Zen Grub)

Creature Comforts vets has hoarding up outside the old HSBC then Winkworth at 141 High Street, ending speculation of where it might go (it's been advertising a new branch for some time).

At no 1 High Street, after an extensive refurb a new hair salon has opened**, The One Beckenham.**

The reasonably new Costadoro Coffee at 220 High Street has changed to **The Coffee Yard.**

Poached Cafe at Beckenham Junction has rebranded and reopened as **Junto** specialising in filled bagels.

Raw Hairdressers at 278 High St, has become **Fern and Flow Hair**.

Tips to Toes Nails at 282 High Street has become **Blanc Nails.**

FIRE SAFETY DAY ON BECKENHAM HIGH STREET

Visitors to Beckenham High Street may have noticed an increased emergency service presence on 17 June as around 70 personnel from the London Fire Brigade, Metropolitan Police and Bromley Council took part in a joint fire safety and enforcement day.

Firefighters and fire safety officers visited almost every business on the High Street, offering practical fire safety advice and guidance to help keep staff, customers and premises safe. Specialist teams also carried out inspections of higher-risk premises, including hospitality venues and dark kitchens.

A street stall gave residents the opportunity to speak with firefighters and other agencies about home fire safety and community safety.

HAVE YOUR SAY ON BROMLEY'S DOG CONTROL RULES

Bromley Council is consulting on renewing its Public Space Protection Order (PSPO) for dog controls, which has been in place for the past three years.

The proposals would continue the existing rules, including requiring owners to clean up after their dogs, keeping dogs out of children's play areas, requiring dogs to be kept on leads in designated locations, and limiting the number of dogs one person can walk at any one time to four.

The Council is also proposing a new restriction to exclude dogs from cemeteries, where they are currently permitted on leads. The consultation is open until Monday 27 July, and the Council is encouraging dog owners, park users and other residents to share their views before any decision is made.

You can take part in the consultation via the Bromley Council website.

ROTARY BECKENHAM RAISES OVER £2,700 FOR BROMLEY BRIGHTER BEGINNINGS

On Sunday 26 April, Rotary Beckenham held its eighth Swimalong at The Spa in Beckenham, raising more than **£2,700** for Bromley Brighter Beginnings, a local charity supporting families facing financial hardship with essentials such as baby clothes, school uniforms, beds and Christmas hampers.

The aim of the event is to collectively swim a marathon, with participants of all abilities raising sponsorship for the charity. This year, 23 swimmers took part, swimming almost **42 miles** between them and comfortably surpassing the 26-mile target. Over its eight-year history, the Swimalong has now raised nearly **£30,000** for local charities. Deputy Mayor Cllr Gemma Turrell presented medals to participants. Rotary thanked The Spa at Beckenham Leisure Centre for hosting the event, along with the volunteers, sponsors, supporters and, most importantly, the swimmers whose efforts made another successful fundraiser possible.

PLANNING AND LICENSING UPDATE

To find out more about a particular planning application, go to: www.bromley.gov.uk then click on search planning applications and enter the case reference in the search box. The website has been undergoing extensive work recently, leading to long periods of unavailability. We hope this will be resolved soon.

When providing comments, you must give your name and address including postcode, otherwise your views may not be considered (your details aren't displayed on the website).

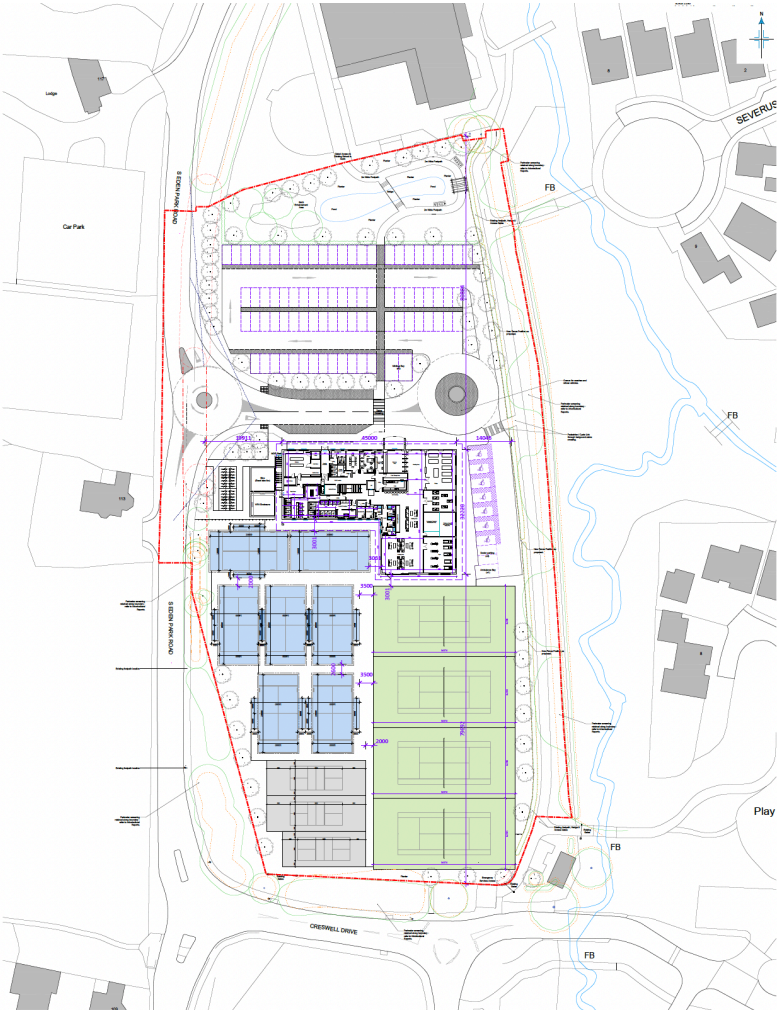

Land to east of South Eden Park Road, BR3 3FT 26/00412

A full planning application has been made by Virtus Leisure Management Ltd and Padel Xtra Ltd for a new sports centre on a large piece of open land to the east of South Eden Park Road.

The site is the remaining part of the sports fields of the former Wellcome Foundation/GSK complex. It is situated north of Cresswell Drive and Unicorn Primary School, and east of the Harvington Estate car park. The site is designated Metropolitan Open Land (MOL) and therefore cannot be built except in very special circumstances.

The proposals include a two-storey pavilion building accommodating a reception area, gym facilities, pilates studio, changing rooms, a cafe, kitchen and ancillary spaces. Next to the building would be 7 padel courts, 3 pickleball courts and 4 tennis courts. A customer car park with 94 spaces is proposed, together with cycle racks.

A new mini-roundabout and carriageway alterations are proposed on South Eden Park Rd, with a new road to access the centre. South Eden Park Rd is already a busy road at peak times. Traffic volumes will increase once the large housing development near the Chinese Roundabout is built and this development is likely to lead to further car journeys. The single pavement, along the east side of South Eden Park Rd, is used by hundreds of children every weekday to walk or cycle to and from four schools which are all close to the site. The pavement is very narrow and traffic relatively fast, so we would like to see safety improvements made by widening of the footpath, the introduction of a cycle path ideally and pedestrian crossings

across the access road at the new mini-roundabout, as a condition of any planning approval granted.

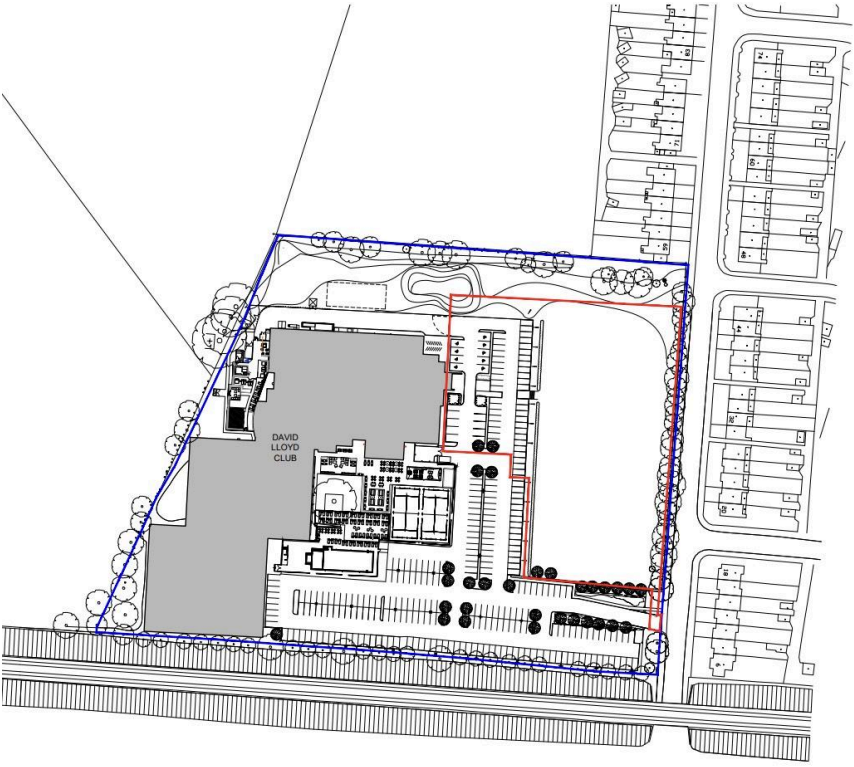

Crystal Palace Academy Fuel Tank Appeal Allowed
The Planning Inspector has allowed Crystal Palace F.C.'s appeal against Bromley Council's refusal of planning permission for an under-pitch heating fuel tank, plant equipment and flue at the Academy site on Copers Cope Road. As reported previously, Bromley Council refused retrospective planning application 24/04744/FULL1. The Inspector has now overturned that decision, meaning the equipment, which has already been installed and in use for some time, now has planning permission.

The Inspector imposed a number of conditions, including measures to limit plant noise, control pollution, and require the use of biofuel only. Records of fuel deliveries must also be kept and made available for inspection by the Council**.**

Orion School Balmoral Avenue 16/03145 - Appeal dismissed
It is great news that the appeal against refusal of permission to extend the use of the football pitch and Multi Use Games Area (MUGA) has been dismissed. The Inspector was not satisfied that the appellant had demonstrated that the scheme would not cause harm. He said that it is not evident that the scheme satisfies the requirements of Bromley Local Plan (2019) and Policies D13 and D14 of the London Plan, where they aim to protect residential amenity.

David Lloyd Car Park Proposal Withdrawn – 26/00352/FPA
David Lloyd has withdrawn its planning application to extend its car park and create a junior football pitch on the green space fronting Stanhope Grove before it was due to be considered by the Council's Planning Committee. The proposal attracted a significant number of objections from local residents, who raised concerns about the loss of green space, the visual impact on the area, increased traffic and congestion, and the further intensification of activity at an already busy site.

72-74 High Street, BR3 1ED 26/01563 (above Yammas restaurant)

Another planning application has been submitted, following refusal earlier this year of a scheme to extend the roofspace to create two additional flats on the grounds that the proposed extension was too bulky and the design failed to provide satisfactory standard of accommodation. The two floors above the restaurant are currently occupied by flats. The most recent application proposes enlarging the existing second floor flats vertically by extending the roof at the rear and side to create two new internal staircases, replacing the bedroom of each flat on the second floor with a dining room and putting the bedroom in the new roof extension.

The building is currently scaffolded, with a temporary roof and the upper floors concealed with protective sheeting.

Land outside 165 to 169, High Street 26/00373
Land outside 171 to 173, High Street 26/00382
Land outside 143 to 147, Croydon Road 26/00376
The council has refused three applications made for the installation of BT Street hub units on the pavement near the junction of the High Street and Village Way, outside the British Red Cross charity shop and next to Ember Steakhouse in Elmers End. All three applications were refused on the grounds that they would be intrusive features resulting in visual clutter to the streetscene and would cause inconvenience to pedestrians.

134 Worsley Bridge Road, BR3 1RP 25/03012
The Planning Inspector has allowed an appeal against Bromley Council's refusal of planning application for an 11-bedroom House in Multiple Occupation (HMO) at 134 Worsley Bridge Road, on the corner of Copers Cope Road.

The application was refused by Bromley Council last September following objections from local residents and concerns about the internal layout of the proposed accommodation. The applicant appealed the decision to the Planning Inspectorate.

The Inspector has now overturned the Council's decision, meaning planning permission has been granted and the development can now proceed.

28 Manor Road, BR3 5LE 26/01065
Planning permission has been granted at committee for the extension and conversion of this single family house to create 5 new units comprising 2 one-bedroom and 3 two-bedroom flats. The building is situated on the south side of Manor Rd, between Bevington Rd and Manor Grove. This is the latest in a gradual change over a period of many years in the tenure of houses on both sides of this road, from single houses to flats.

ADVERTISING IN 'BECKENHAM RESIDENTS' NEWSLETTER

Our publication is not-for-profit and we are always on the look-out for new advertisers.

Advertising Rates: Prices are per advert and per insertion. 5% off if you book and pay for all three editions at the beginning of the year.

£160	full page (A5)	12.5cms wide x 18cms high
£80	½ page	12.5cm wide x 8.5cms high
£40	¼ page	6cms wide x 8.5cms high
£20	⅛ page	6cms wide x 4cms high

Artwork can be accepted in jpegs or PDFs.

We print approximately 2000 copies of the magazine for each edition, Spring Summer and Autumn. Copy dates for each edition vary and these can be advised when you book advertising space.

To book advertising space please send your request and artwork to chairman@coperscope.org.uk

JOIN YOUR LOCAL RESIDENTS' ASSOCIATIONS

Information about how to join either the Copers Cope Area Residents' Association (CCARA) or West Beckenham Residents' Association (WBRA) can be found below. As a member you will receive up to three editions of "Beckenham Residents" magazine a year.

Copers Cope Area Residents' Association Joining Instructions

Copers Cope Area Residents' Association predominantly covers the Beckenham Town & Copers Cope Ward of Beckenham. The annual subscription cost per household is £7. The simplest and most secure way to join is online.

CCARA members only join online by scanning the QR code or at: beckenhamresidents.org/join/

Affiliate Membership – Reduced Subscription

If you live in a block of flats and all the households wish to sign up together, you can join as an affiliate member and each household will only pay £3.50. As an affiliate you would receive a bundle of the newsletter for your group to be distributed to each household by a resident in your block or left in a common entrance way.

Joining the committee

Committee members and officer posts are elected at the AGM (usually in March/April). However, it is possible for the committee to be co-opted volunteers outside of the AGM, please get in touch if you are interested in joining the committee.

West Beckenham Residents' Association Joining Instructions

West Beckenham Residents' Association covers the Beckenham parts of Clock House, Kelsey & Eden Park and Penge & Cator wards. The annual subscription per household is £5, to be increased to £7 if approved by the AGM.

WBRA NEW MEMBERSHIP AND RENEWAL FORM
